

The ASA Late Model Series Presented by GM Performance Parts has completed the Inaugural Illiana Derby North event of the season at Illiana Motor Speedway; 'The 'Run for the Roses 100'. We would like to show our appreciation to all the great partners that help the series and the teams make it to the track each week.

These partners are one of the main reasons that we can all continue to race and be competitive on the short tracks across the country. Please remember them each time you are looking to purchase a product or need a service. These premier partners help to build 'America's Premier Short Track Series'.

For more information on our partners, visit our marketing page link located on all three websites' www.asalatemodels.com, www.asalatemodelssouth.com, www.asalatemodelsnorth.com

For the second straight week...tracks records have been shattered!

Orland Park, Illinois driver Anthony Danta was the "Fastest Man in Town" in ARP Bodies Time Trials for the ASA Late Model Series North Division here at the Illiana Motor Speedway. Danta toured the 1/2 mile oval with a lap on 19.531.

The invert pill drawn for this evening was "6". This will put Lockport, Illinois driver Josh Nelms at the head of the field for tonight's main event.
