

Steve Carlson conquered the field in the River Run 100 at the LaCrosse Fairgrounds Speedway, taking the lead on lap 19 from pole sitter Trent Snyder and lapping into the Top 6 en route to his second straight ASALMS North triumph at his home track.

Carlson would extend his lead to 2.5 seconds over 16 year old Ross Kenseth in an 84 lap stretch of Green Flag racing. A late race yellow would give Kenseth and point's leader Chris Eggleston a chance at Carlson, but neither could close the gap.

Kenseth would hold second ahead of Eggleston. Trent Snyder would finish the race in fourth, followed by Eddie Hoffman in fifth.
